The PENTA Building Group Announces Staff Promotion

LAS VEGAS (July 22, 2009) – The PENTA Building Group recently announced the appointment of Jennie Bowman to the position of marketing manager.

In her new role, Bowman will be responsible for planning, supervising, and directing all marketing projects, managing proposal development, and focusing strategically on PENTA's marketing activities for their offices in Las Vegas, Reno, and Palm Desert, Calif.

Bowman joined PENTA in 2005, and most recently served as marketing coordinator. She has a Bachelor of Science degree in International Business and Marketing and a Bachelor of Arts in Spanish from the University of Montana, and recently earned her MBA from the University of Phoenix.

###

The PENTA Building Group is a commercial general contractor with offices in Las Vegas, Reno, and Palm Desert, Calif. They have completed projects from the following market segments; hospitality, gaming, distribution, retail, restaurant, commercial, and institutional construction. With more than 70 percent of its projects resulting from repeat business, PENTA has produced revenues in excess of \$600 million this year and has broken into the list of one of the top 175 general contracting firms in the nation. PENTA has 45 professionals on its staff accredited in Leadership in Energy and Environmental Design (LEED), and the firm holds Contractor's licenses in Nevada, California, Arizona, and Hawaii. For more information about PENTA, visit their website at
