***PENTA Building Group Announces
Scott Lee Joins Reno Team***

(Reno, NV) The PENTA Building Group announced today that Scott Lee, project estimator, has joined the Reno office from the company's Palm Springs business unit.

“Scott will make a much needed addition to our team and we are excited for the work he will do with us in the future as he has been doing over the past two years in our Palm Springs office,” said Lou Primak, area manager for PENTA.

In his new role Lee is responsible for conducting preconstruction and estimating services including estimating, scheduling, planning, bidding and budgeting of projects. Lee earned a Bachelor of Science in construction management from South Dakota State University and has been with PENTA since 2007.

The PENTA Building Group is a local commercial general contractor with established market segments in hospitality, gaming, distribution, retail, commercial, and institutional construction. PENTA prides itself on its ability to successfully execute all types of commercial construction projects; large or small. For more information about PENTA, visit their website at pentabldggroup.com or contact Lou Primak at 775.852.4030 or by email at lprimak@pentabldggroup.com.
